To Whom It May Concern:

It has been my privilege to have Gary Zdziarski as a friend in the ministry for the past 15 years. Over that time, I have learned that Gary has a desire to please God and stand on the truths of the Bible. His faithfulness to proclaim the Word and to invest in the people God has put under His care is a testimony of God's faithfulness in His life. He has been a very practical help at our camp on numerous occasions. His humor mixed with a sober-mind for serving God is a blessing to me personally.

I know Bro. Zdziarski to be pure doctrinally, proven and holy in His personal life, and an example of a Godly father who has Godly children who desire to serve God. As a faithful friend and Pastor, I look forward to how God is going to use Pastor Zdziarski and his wife in the country of Poland.

In Christ,

Pastor Chris Starr
