

ZDZIARSKI MISSIONARIES TO POLAND

December 2024

Dear Faithful Friends,

Luke 2:10-11 *“And the angel said unto them, Fear not: for, behold, I bring you **good tidings of great joy**, which shall be to **all people**. (11) For unto you is born this day in the city of David **a Saviour, which is Christ the Lord.**”*

Time waits for no man, unless you are Joshua fighting the Amorites in the valley of Ajalon. Christmas season is upon us once again and the best thing about it is that we have extra time and reason to tell all people about a Saviour, which is Christ the Lord. This past year has moved on extremely fast and the time is soon approaching when we will be leaving the United States for the Central European shores of Poland. We seek God's wisdom for a plan to be in Poland, we work that plan, and then we leave the time for departure in God's hands. Yet, in the excitement of the holiday season and the busyness of family activities, let us not forget to evangelize our “mission field” with the great joy about our Saviour, Jesus Christ. The world is a little more open to hearing about the first coming of Jesus Christ during Christmas. Let us be faithful in giving them the most precious gift they can ever receive, eternal life through the Son of God.

During the months of October, November, and the first week of December, we were in a total of twelve churches. Three of these meetings were Faith Promise Mission Conferences. What a blessing to meet new pastors and see that God is still working in American local Baptist churches. Some highlights of these meetings were being able to spend time with more Polish people. Many of the churches we were in had a very diverse group of people. Hearing testimonies of salvation and how God works in hearts never gets old. Some meetings were like being on a literal mission field. People from various cultures and nationalities working together in the framework of the local church was truly amazing. God loves to bring people together to serve Him and the local church is the greatest example of His love for the believer. We even were able to join a Save New England conference in Wakefield, Rhode Island. Seeing pastors, both young and old, with a longing to reach the upper eastern United States was a great encouragement and an honor. Yes, the **good tidings of great joy** are to **all people!**

Since our last letter a little over two months ago, we have had four churches partner with us. We want to thank New Hope Baptist of Knox, IN; Heritage Baptist of Lawrence, KS; Brentwood Baptist of Des Plaines, IL; and Cornerstone Baptist of Belmont, MA. Thank you not only for your monetary support but for your prayer support. How we need the leading of the LORD and the prayer of God's people for success on the field and getting there cannot be understated. This support brings us to just over 75% of our needed support. Pray for us that the remaining support of 15 churches for \$100.00 will be brought in quickly in God's timing. May of 2025 is just around the corner and we desire to be in Poland as soon as possible.

We want to say thank you to every church that has given my wife a birthday card or sent us a Christmas card and/or gift. Your sacrifice and love humbles us and keeps us praising God for His goodness towards us. Pray for us in the month of January. We will be in Iowa for the first Sunday and then travel down to South Carolina for three more meetings. We will swing up to the Philadelphia area at the end of the month to present Poland on the first Sunday of February. We end up in the middle of February in Ohio and Kansas. Pray for safety as we continue to travel and for a few more meeting in the month of March. We are so close to being in Poland I can almost taste the Kielbasa & Pierogis.

If there is any prayer request we can take to the Father on your behalf, please do not hesitate to text or email. Have a very Blessed Christmas and a Christ-honoring New Year.

Sincerely,

Gary & Lisa Zdziarski
