

March 2024

Dear Faithful Friends,

Psalms 105:1 "O give thanks unto the LORD; call upon his name: make known his deeds among the people."

We are commanded to give thanks unto the LORD and make known unto others why we are giving Him thanks. We want to take this prayer/update letter and give thanks to God for His goodness to us while we were able to present our calling to Poland at a number of good churches during their services and also during their Missions Conferences. God has blessed us in getting to meet new people, pastors, and churches all while seeing that a love for missions is still alive in America. We were also able to reacquaint ourselves with old friends. Some of those churches have voted to partner with us to Poland, and we give thanks unto the LORD for their support both financially and prayerfully.

During the month of February, Lisa and I were able to take a two week trip to Warsaw, Poland. We stayed two weeks with missionaries Paul and Jolie Sock. They graciously allowed us to barge in on them and spend our time living upstairs in their home. Not every missionary can do such things, and we want to thank the LORD for them and their generosity. We were with them for two mid-week services and for a Sunday service. Gospel Baptist Church is a group of believers who love the LORD and desire to grow in Jesus Christ. I was able to preach three times and share with them how God is leading my wife and me to come to Poland and share the Gospel with their people. We also had two opportunities to hand out tracts and share the Gospel on the streets of Warsaw just outside a very busy mall. Seeing our need to communicate in their language and our lack of being able to has only caused us to pray more for God to give us the ability to learn the Polish language.

We also met with two other Polish missionaries and spoke to them about pertinent information in our desire to get established in this country. We gained much knowledge during our short conversations. Missionaries Mike Petersen, Otwock, and Corey Riggs, Gdańsk, were very helpful to us. Both have been in Poland for over 25 years and shared a wealth of knowledge as to what type of visa to acquire, what kind of school to look for, and how to go about getting into Poland as a Baptist missionary. Their love for the LORD and desire to see Poles saved was a huge encouragement to us. God is truly moving in this country. We are excited about getting there in God's good time and ministering to these people who have a form of godliness but deny His almighty power.

Continue to pray for our language learning and our safety as we travel. We just finished off two weeks in Wisconsin and are headed to Pennsylvania, our adopted state. The cheese curds in WI were delicious, but that will officially be the last time I put on a Packer's t-shirt. I may lose some support both ways. First, for putting on a Packer t-shirt and secondly, for saying I will never put one on again. I am glad that we can have some fun along the deputation trail.

Pray for our travels as we end March on Resurrection Sunday in PA and then stay in PA into April. We will make a quick trip home to IL and then set our sights on SC to finish up the month. Lord willing, May will find us in IN, MI, NY, and FL for a Mission's Conference. Our total support is at 55%. We only had a small taste of Poland and what God is able to do in this spiritually needy country. Thank you for your support and prayers. Most of all, thank the LORD for making all we do and you do possible. Let us continue to make known His deeds, especially the deeds of His sinless life, death, burial, resurrection, and soon return.

Sincerely,

Gary & Lisa Zdziarski
