I am writing this letter to recommend to you the Zdziarskis as missionaries to Poland. I have known them for my entire life, as I am their son. The Zdziarskis were not people that acted one way in church, and acted another in the home. Being a Christian is real for them. I have had the privilege to see the inside workings of their ministry for all eighteen years that they have been serving in Tabernacle Baptist Church.

There are many things that I can say good about the Zdziarskis, but this letter would not be big enough. One thing though, that stands out more than anything is their faithfulness. They were faithful in raising children, as all five of us are serving the Lord in one aspect or another with our lives. They were faithful in the pastorate for the past eighteen years. They did not just have the hat of pastor; Brother Zdziarski was also the bus captain, the Thursday night kids program director, and did whatever he had to do in order to make sure the church was running decently and in order. Mrs. Zdziarski has also been a huge asset to the ministry as well, as she was the Jr. Church teacher for many years, and taught many students in the academy. I firmly believe that they will continue to have this spirit as they move to Poland.

The Zdziarskis believe it is God's will for their life to go to Poland. I would ask you to prayerfully consider partnering with them as they go and seek to bring people to Christ.

Sincerely,

Daniel Zdziarski  
Pastor
