To whom it may concern:

I am pleased to write this letter of recommendation on behalf of Bro. Gary Zdziarski. I have known Bro. Zdziarski for about ten years (since 2012). God brought my family and I to Quincy, IL to start a church, the same city where he was pastoring. Throughout those ten years he has been a faithful friend to me and the church I pastor. Whether it was allowing us to borrow different items when the need arose (church bus, portable baptistery, etc.), or his wife being willing to school my children for several years. Whatever the case, he and his family have consistently met different needs that we had.

Also, it's evident to me that he loves the Lord and the church he pastored. He was very concerned about being sure to have someone replace him as pastor when it was time for him to step down (he wasn't willing to walk away and leave it in the wrong hands or leave it with no pastor at all). He made sure the next pastor would be someone who would continue in the same direction he was going.

However, what really stands out to me the most concerning Bro. Zdziarski is his consistent and unchanging stand for the Lord. As long as I have known him he has not compromised or went another direction. He has been faithful to the Lord, which has certainly been a good example for me to follow.

So, it's with confidence I can most certainly recommend Bro. Zdziarski. I believe that if he continues to follow in the same "steps" that he had followed in Quincy, God will continue to use him to make a difference for the cause of Christ. If you have any questions or concerns regarding this letter, or any other issues please do not hesitate to let me know.

In Christ's service,

Bro. Jason Moncofsky  
Pastor  
Grace Baptist Church of Quincy, IL
